BIOGRAPHY

Olatunde Michaels Oyeyiola was born in 1980 in New Bussa, Niger State, and hails from the Oro Kingdom in Irepodun Local Government Area of Kwara State. He began his educational journey at St. Peter's Catholic Nursery and Primary School and St. Peter's LGEA, Okerimi Oro, before proceeding to Government Secondary School, Ilorin.

He holds a Diploma in Mass Communication and a Bachelor's degree in Public Relations and Advertising from Lagos State University. From his undergraduate years, Olatunde distinguished himself as a focused and purpose-driven leader, serving three consecutive terms (from 2002) as President of the Students' Arm of the Independent Television Producers Association of Nigeria (ITPAN).

With over two decades of experience in media, communications, and creative leadership, Olatunde has contributed significantly to Nigeria's broadcast and creative industries. He has produced and directed numerous high-profile national projects, including major television shows, corporate launches, public campaigns, and large-scale events for leading institutions and brands across the country.

In 2004, he joined AlphaVision, where he played a key role in the transformation of Nigeria's television landscape and was part of the team that pioneered the Sound City brand. He later served as Media and Event Consultant to DKM Media and worked closely with leading figures in the Nigerian entertainment industry, managing high-impact media projects and productions. In 2014, Olatunde was appointed General Manager of Trace TV, where he led content development, production standards, and strategic programming initiatives, including the successful Airtel Trace Star Reality TV project.

On May 21, 2021, he was appointed by the Governor of Kwara State, His Excellency AbdulRahman AbdulRazaq, as General Manager of Kwara Television. During his tenure, he transformed Kwara TV into a fully functional 24-hour live broadcast station for the first time in the state's history, making it the only television station in Kwara State to offer round-the-clock live transmission. Under his leadership, Kwara TV also achieved expanded reach through platforms such as StarTimes cable channels, and free-to-air television.

Olatunde is also the Founder and Chief Executive Officer of Playcentre Nigeria, a Nigeria-based multimedia company focused on premium production and content creation and the owner of the Wedding Channel Africa, Africa's first 24-hour wedding television channel, further reflecting his commitment to innovation, storytelling, and African creative excellence.

SENATE 2027

OOLAT Manifesto:

My Developmental Agenda for a Prosperous
Kwara South Senatorial District

The Kwara South Senatorial District consists of seven Local Government Areas, and my development agenda is built around these seven councils through the E-3I-3O Agenda, a framework derived from the initials of Ekiti, Ifelodun, Irepodun, Isin, Offa, Oke-Ero, and Oyun Local Government Areas, ensuring inclusive, balanced, and people-centred development across the entire district.

OOLAT
SENATE 2027

E

Economic Prosperity and Wealth & Job Creation

- I will prioritize the revitalization of the Kwara South economy to achieve sustainable prosperity. Kwara Southerners are known for their industrious spirit, and through innovative legislation, I will mobilize resources to rejuvenate the local economy while organizing programmes, trainings, and activities focused on wealth creation across the district.
- Young entrepreneurs will be supported through capacity-building trainings, as well as improved access to grants and loans to help scale their businesses.
- I will leverage my social capital to attract investment opportunities and support business growth within the Kwara South Senatorial District.
- I will regularly organize seminars and workshops to equip business owners in Kwara South with practical skills and modern business knowledge.
- I will facilitate access to federal government employment opportunities for qualified Kwara Southerners across relevant Ministries, Departments, and Agencies (MDAs).

Investment in Quality Education & Human Capital Development

- I will actively engage the Federal Ministry of Education and relevant federal ministries, departments, and agencies to facilitate the construction of smart schools in each Local Government Area of Kwara South.
- I will ensure the construction, renovation, and rehabilitation of public primary and secondary schools across the Kwara South Senatorial District to improve learning outcomes and infrastructure.
- I will pursue strong legislative actions to promote and strengthen Technical and Vocational Education and Training (TVET) across Kwara South, in line with workforce and industry needs.
- I will establish a Kwara South Education Trust Fund to expand access to scholarships, bursaries, and educational grants for indigent and deserving students.
- To enhance human capital development, I will facilitate the establishment of functional vocational training centres in each Local Government Area of Kwara South.
- I will demonstrate firm commitment to the revitalization and modernization of technical schools across the Kwara South Senatorial District.
- In collaboration with relevant federal ministries, departments, and agencies, I will pursue strong legislative actions to facilitate the establishment of a specialized University of Agriculture in the Kwara South Senatorial District.

Inclusive Security, Peace & Community Stability

- Ensuring a safer Kwara South will be a top priority of my legislative agenda.
- Through effective legislation, I will focus on protecting the lives and property of all residents of Kwara South.
- I will work to make the Kwara South Senatorial District a safe and secure place to live, work, and do business.
- Community associations will be supported and empowered to provide timely and reliable intelligence to assist security agencies in safeguarding the district.
- I will advocate for the deployment of modern security technologies, including drone systems and surveillance infrastructure such as CCTV, to enhance public safety across Kwara South.
- I will establish a Kwara South Security Trust Fund to strengthen and sustain security initiatives within the district.
- I will actively collaborate with relevant security agencies to achieve a safer Kwara South.
- I will support community-driven crime prevention and neighbourhood safety initiatives.
- I will pursue all necessary legislative actions toward the establishment of a Federal Fire Service Centre in the Kwara South Senatorial District.

Infrastructure Development

- Through effective legislation and strategic lobbying, I will ensure the full rehabilitation of key federal roads in the Kwara South Senatorial District, including the Ilorin–Omu–Aran–Kabba Road and the Erin-Ile–Offa Road, among others.
- I will diligently carry out oversight functions to accelerate the completion of ongoing and future federal road rehabilitation projects across Kwara South.
- I will facilitate the rehabilitation and construction of critical rural roads to improve connectivity and economic activities within communities across the district.
- I will work to ensure adequate budgetary allocations for all federal institutions located in the Kwara South Senatorial District.
- I will advance strong legislative advocacy for increased federal government infrastructure and development projects across Kwara South.
- I will mobilize legislative support to promote, develop, and sustain tourist centres within the Kwara South Senatorial District.

Open, Accountable & Equitable Representation

- I will uphold and exemplify the Omoluabi ethos in my conduct and representation at the National Assembly.
- My legislative responsibilities will be firmly anchored on transparency, accountability, and equitable representation of all communities in Kwara South.
- I will establish and maintain functional constituency offices across all 83 wards in the Kwara South Senatorial District to bring representation closer to the people.
- I will remain visible, accessible, responsive, and accountable to all Kwara Southerners, regardless of socio-economic status, ethnicity, or religious affiliation.
- I will conduct all official engagements and decisions with openness and integrity.
- I will maintain constant communication with constituents through all available and effective channels.
- I will ensure fairness and inclusivity across all 83 wards in the appointment of legislative aides and constituency staff.

Optimised Agriculture

- I will improve access to subsidized fertilizers, seedlings, agrochemicals, and other essential agricultural inputs to support farmers across Kwara South.
- I will promote irrigation and dry-season farming, providing the necessary resources to enhance productivity and food security.
- I will facilitate access to grants, loans, and other financial support to empower farmers and strengthen agricultural enterprises in the district.
- I will ensure a safe and secure farming environment, protecting the livelihoods of farmers across Kwara South.
- I will provide skills development, training, and extension services to equip farmers with modern farming techniques and best practices.
- I will establish shared mechanization hubs, offering access to tractors, harvesters, irrigation equipment, and storage facilities to optimize farm productivity.
- I will create opportunities and training programs to help farmers secure fair pricing for their produce.
- I will promote value addition through targeted training, enabling farmers to increase profitability and expand market opportunities for their products.

Outcome-Driven Healthcare & Social Protection

- I will ensure that federal hospitals in Kwara South, including the 80-bed Mother and Child Hospital in Oro and the 40-bed Mother and Child Hospital in Igbaja, receive adequate federal funding to provide quality healthcare services.
- I will oversee the construction, renovation, and modernization of health facilities across the Kwara South Senatorial District.
- I will provide critical support in the form of medical equipment, qualified personnel, and essential medicines to strengthen existing healthcare institutions.
- I will lead health awareness campaigns and outreach programs to promote preventive care and public health education in the district.
- I will enrol senior citizens and vulnerable populations in health insurance schemes to ensure accessible and affordable healthcare.
- I will actively support and partner with community-based health initiatives and events to improve overall healthcare delivery in Kwara South.

MY STRATEGIC ADVANTAGE

for Kwara South in the Senate

I offer Kwara South a combination of influence, focus, energy, and accessibility that distinguishes my candidacy and positions our district for tangible results:

1

Proven Ability to Lobby for Kwara South Projects

I have the capacity, networks, and legislative understanding required to attract federal projects and ensure Kwara South gets its fair share of national resources.

2

Security-First Legislative Focus

I understand that development cannot thrive without safety. My agenda prioritizes proactive security legislation, community based security support, and strategic collaboration with security agencies.

3

Strong Commitment to Infrastructural Development

From roads and healthcare facilities to schools and rural infrastructure, I am focused on infrastructure that directly improves lives and unlocks economic growth across all seven LGAs.

4

Effective Relationship with the Executive (H.E.)

My ability to build and sustain a productive working relationship with the Executive ensures smoother project approvals, faster implementation, and real results not political isolation.

5

Access to the Private Sector and International Community

I bring strong connections that can attract private capital, foreign direct investment, and development partnerships to complement government funding and accelerate growth in Kwara South.

6

Youthful, Energetic, and Forward-Looking Leadership

As the youngest aspirant, I bring energy, innovation, and a deep understanding of today's economic realities while preparing Kwara South for the future, not the past.

7

People-Centred Representation Through Regular Town Halls

I am committed to consistent town hall meetings across all councils, ensuring that the voices of the people directly shape my legislative priorities and actions in the Senate.
